Five Stars Brand

Manages the operation of all the group's local accommodation units.

- PREMIUM APARTMENTS -

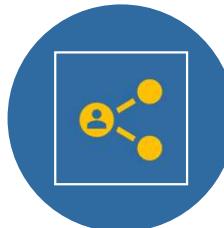

PRIVATELY HELD BY HABITAT INVEST

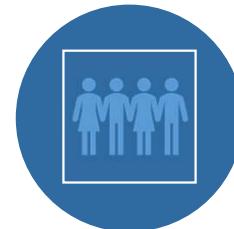

Five Stars is part of Habitat Invest Holding

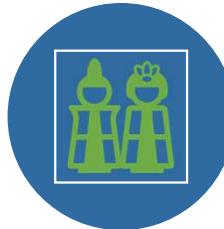

Operating in the short term for almost a decade for premium apartments.

The advantage of having a team from guest service, legal and financial in-house allows us to provide a quick and customized response to each of our customers.

A team made up of more than 30 people who work every day to exceed the expectations of those who entrust their property to Lisbon Five Stars.

We are positioned in the luxury market and this allows us to ask for higher rates and occupancies that, at the end of the day, deliver above-average profitability to the owner.

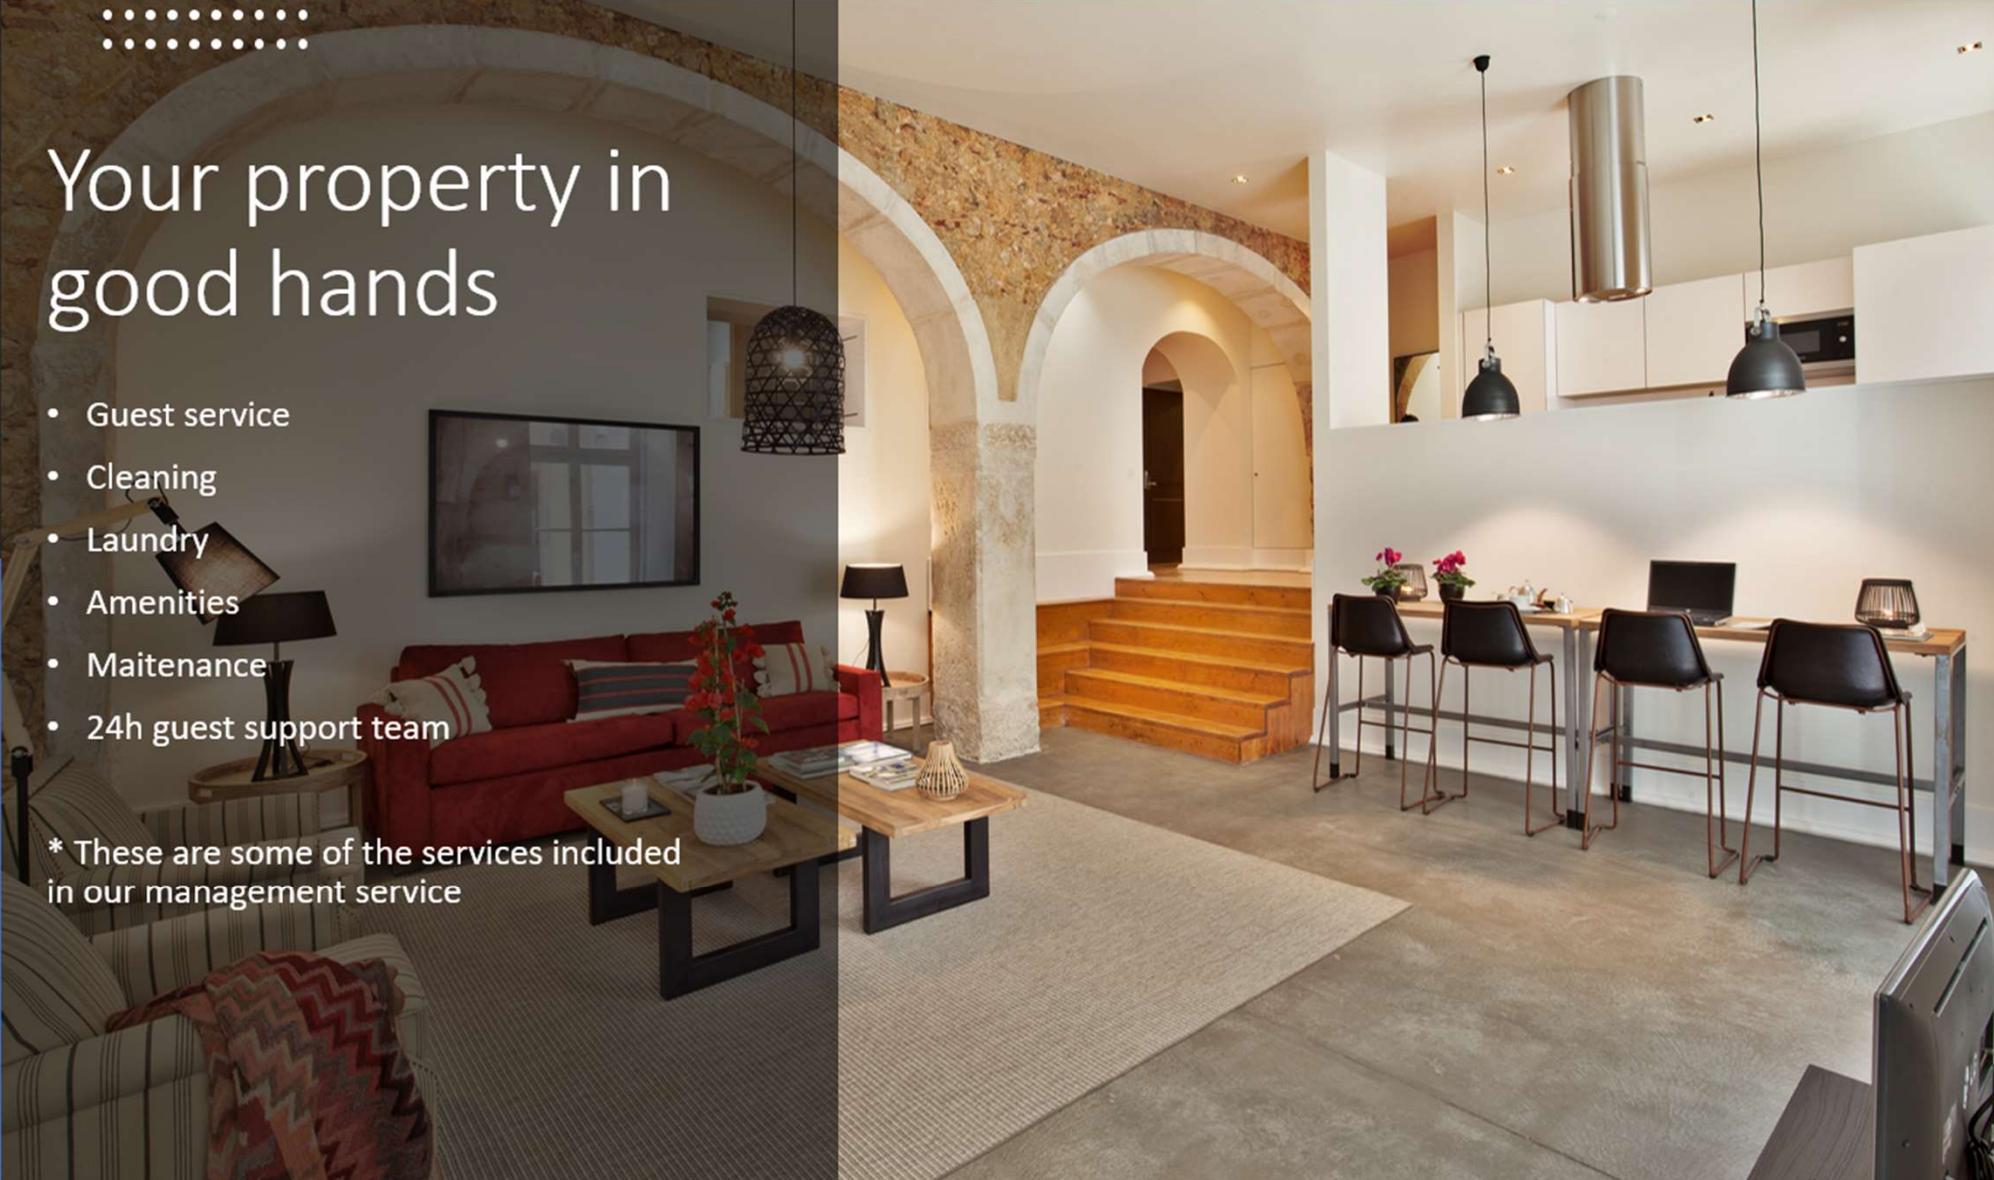

Onsite Manager

The Onsite Manager (Resident director) is an essential position to run operations in large high-end condominiums, specially in those with high concentration of occupancy during the high-season.

Resident director main tasks:

- Attend to any owner request , either while staying in their apartments and/or with remote requests.
- End to end guests assistance (welcome them in the facilities, provide all relevant apartment information, guidance on additional services or activities booking, address their requests and/or complaints).
- Point of contact to all with external parties such as suppliers, travel agencies, event/conference planners etc.
- Inspect facilities regularly and enforce strict compliance with health and safety standards
- Develop and implement an intuitive and efficient marketing strategy to promote the condominium
- Retain, train and manage the agenda/schedule of all staff to guarantee standards are accomplished.
- Manage budgets/expenses, analyze and interpret financial information and monitor sales and profits.
- Reporting to condominium management and guarantee resolution to all flaws that may occur during the year.

MARKET ANALYSIS

Portuguese Regions positioning vs national average | 2019

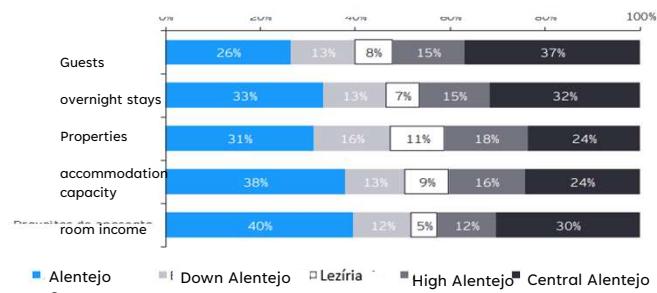

The Azores, the North and the Alentejo, have been leading in terms of growth in the number of overnight stays, showing an average annual rate of change of 15%, 12% and 12%, respectively

EVOLUTION

Success Prediction

ALENTEJO SUB-REGIONS

Sub-regional distribution of tourism in the Alentejo

Together, the Alentejo Coast and Center sub-region, concentrate more than half of the tourist demand directed to the Alentejo region.

In terms of municipalities, Grândola dominates the tourist panorama of the Alentejo Coast, representing around 63% of overnight stays, 39% of accommodation capacity and 48% of room revenue.

Tourism in the municipalities of the coastal Alentejo
